**OVER**

**NOTE:** Nancy (Sherwood) Truitt has made a suggestion that would be fun and interesting. It would give us an idea of what each other is doing/has done. It would not be citing individuals, but rather asking people a few questions (by email ahead of the reunion) then aggregating the answers and presenting them.

Questions to be asked/responded to:

- How many children?
- How many grandchildren?
- How many great grandchildren?
- Favorite place you have been?
- Farthest away you have been?
- Do you live within 50 miles of Grand Haven?
- Did you live away for more than 15 years and then move back?
- Your favorite activity?
- Any interesting things about the last 59 years to share?

This will be an interesting exercise and should generate memories to share and conversations at the reunion.

Nancy has agreed to assemble the inputs for the reunion, so please consider sending her your answers and thoughts.

Thank you, Nancy for a great idea!
