

# 60th Grand Haven High School Class Reunion Committee

## February 11, 2018

Plans are progressing for our 60<sup>th</sup> Reunion and here are some things that have been discussed and proposed, since our committee meeting September 13, 2017:

1. Gloria has been able to enhance the contract with Trillium Catering & Event Center for our dinner on September 29, 2018. The cost is \$35 per person and includes gratuity and sales tax. The menu is:

Preset garden salad with choice of 2 dressings; combo plate of Applewood Smoked Bacon Wrapped Chicken and Beef Bourguignon OR Stuffed Baby Eggplant Vegetarian and dessert preset alternating desserts of chocolate and carrot cake

Thank you, Gloria

2. Feedback from our September, 2017 committee meeting recommended a postcard to be sent in March, 2018 with the details (date, time, where) for the reunion. The actual reservation form request to be sent June or July. I would like to wait until July in order to have the latest classmate information for the handout booklet. Request that the reservation form be returned by September 1, 2018.
3. Attached is the proposed Reservation Form to be sent in July, 2018.
4. There have been some ideas about giving a remembrance item to each classmate. One idea is to give everyone a bookmark. There is a preliminary cost of \$25 plus tax for 72 bookmarks and on 80# card stock in full color on both sides. The bookmark would be

finished to 1.7X5.5 inches and with 3 mil lamination. This is where we need some creativity on how to design the bookmark. Something that, when used, reminds us of our high school days. Is this a good idea or are there other thoughts? ***Volunteers to design?***

5. Gene Warner has provided a look at 1958 in Review....or “What was it like in the old days?” It includes top tunes, at the movies, on TV, in Grand Haven, other stuff. Perhaps we could include this in the handout booklet along with the names, addresses and deceased classmates.
6. There needs to be a design for the booklet cover. I have many pictures of our past reunions and annual activities that could be used. However, I’m sure you all have some creative ideas. Items from Gene Warner 1958 in Review. ***Volunteers to design?***
7. Our next committee meeting TBD. I plan to be in Grand Haven when the weather is warmer, hopefully May. I will keep you posted on my plans and then schedule a committee meeting.

Please review these notes and the proposed Reservation Form. Let me know your comments, suggestions, changes etc.

Thank you to you all for your help and support,

Dave
