Our homecoming theme "Around the World," was carried out very successfully through a street dance, pep assembly, showcases, game, and dance, with music by Tiny Piper and the Aristocrats. The identity of the King and Queen of our High School was kept a secret until half-time of the homecoming game, October 11, with Holland High. When the secret was revealed, our Queen, Babs McMahon, who was crowned by Mr. Olsen, and King, LeRoy Groters, were chosen to reign along with their court, made up of Marcia Scott, Gary Ver Plank, Wanda Gringhuis, Don Bigler, Beatie Schmidt, Tim Bottje, Toni Stookay, and Bob Cleveland.

The homecoming event, and all events preceding it, will never be forgotten!

THESPIANS

"The minutes for the last meeting are . . ."

As an organization, Thespians has been busy this year. Homecoming, our main fall activity, was very successful. We changed many of the former customs, and the new system worked well.

Our membership was nearly doubled by our first initiation, which took place in January. The new members added a great deal to our club's activities.

Our main project is the All School Play. This year *The Barretts of Wimpole Street* was chosen. This story of conflict within the Barrett family was done very well and was very well accepted.

Our third project of the year was "Twirp Day". There were several new ideas added to it, such as patches and a color. The day was climaxed by a Twirp Dance.

These have been the main activities of Thespians Troupe 1048 this year.

STUDENT COUNCIL

This year, the Student Council has been very successful in leading and governing the student body. Officers were Barbara Mc Mahon, president; Roger Prelesnik, vice-president; Rita Mierle, recording-secretary; and Gindy Van Zylén, corresponding-secretary-treasurer.

Meetings were held every Thursday morning. The Student Council has had many important projects. These included sponsoring an assembly, officially starting a pep club, revising the Constitution, sponsoring a dress-up day and a cotton day, providing dances, a carnival, and giving the all-school Christmas party.

HI-Y

The Hi-Y has again completed another busy and active year. Our activities included the operation of the concession stand, the sponsoring of several dances, and participation in the school carnival. We also sent four members to Lansing for the Hi-Y—Tri-Hi-Y Legislature.

Our membership was increased to 48 due to the

two initiations which were held during the year. The first initiation was held jointly with the Tri-Hi-Y.

The officers for the year were Gary VerPlank, president; John Martin, vice-president; Curtis Foreman, secretary; Dick Minuth, treasurer, and Chuck Braak, chaplain.

We were given much assistance by our advisor, Mr. Anderson.

TRI-HI-Y

"All right, girls, let's take a vote"

The members of Tri-Hi-Y have packed many activities into a year filled with fun and excitement.

We began the year looking for a new advisor and were lucky to find Miss McAnelly, who has been wonderful.

Some of our projects were selling football programs, sending Thanksgiving baskets, sponsoring a "Polio Benefit Dance" and a "Roarin' Twenties Dance," and taking care of Kim, our Korean orphan. We also had a baked goods sale, cake-walk, car wash and style show in order to earn enough money to send our chaplain, Lynne Mitchell, to Europe and give a scholarship to one of our senior members. All in all, we had a very successful year.

FUTURE TEACHERS' CLUB

"Now I'm not going to be long winded, but . . ."

This year the Future Teachers' Club has continued its program of encouraging and helping students who wish to enter the teaching profession. Our major activity has been our observation or cadet teaching program. The programs at our meetings also help us to learn more about the profession.

Some of our other activities this year have included sponsoring an after-game dance and a booth in the carnival and attending the F.T.A. conference.

Our officers this year were Nan Woodworth, president; Kathy Hoffer, vice-president; Janet Miller, secretary; Sara Reeths, treasurer, and Gayle McCaleb, historian.

RIFLE CLUB

The Rifle Club has had an outstanding record again this year with our winnings outweighing the losses. Our first squad took first place in the final tournament, and by winning the Scholarships Division of National Championship Matches held in Ann Arbor, our reserve squad took second place. Tom

McGeorge in the tournament raised his shooting score to a high level pulling away from Bette Mulder and Doug DeYoung, who had been battling tooth and nail for the best shooting award. Tom received this award. Grand Haven High School has a lot to be proud of looking back at their rifle teams.

The topic for the debate teams this year was, "What should be the Nature of U. S. Foreign Aid?" The final consensus of opinion—"That Direct U. S. Economic Aid to Individual Countries Should Be Limited to Technical Assistance and Disaster Relief."

The records for the 57-58 season were—
 State League _____ Won 5 Lost 3
 West Shore League _____ Won 5 Lost 7

This record for the debate team qualified them for the Regional Tournament for the second year in a row.

FORENSICS

Our Forensics group, under the excellent coaching of Mrs. Zarihta, has doubled in number since last year. This speech activity takes place during the second semester and has five divisions: humorous, declamation, oration, interpretive, and extempore. We had entrants in all but the extempore division.

The local contest was held in our high school, and two people from each division were chosen to represent us in the district contest. At district, Richard Baldwin took first in oratory and thus will represent the district at the regional contest; Steve Platt took second in interpretative; and John Gosen took third in humorous.

LIBRARY CLUB

Student Library Assistants

The Library Assistants belong to SLAAM, the state organization of student librarians. A number of the group attended a district meeting held in Coopersville last fall. Money earned by the club will be used to purchase CARE books to be sent abroad and for plants for the library.

The student librarians enjoy being of service to students and faculty, and also enjoy some good times together. Annual parties are held at the Public Library and with the Junior High Group.

Grace

This year, under the leadership of Miss Adams, advisor; Faye Wills, president; Gindy Van Zyl, vice president; Wanda Gringhuis, secretary, and Sue Woodford, treasurer, the G. A. A. enjoyed a fun-packed year. The sports for the year included volleyball, badminton, basketball, softball, and swimming.

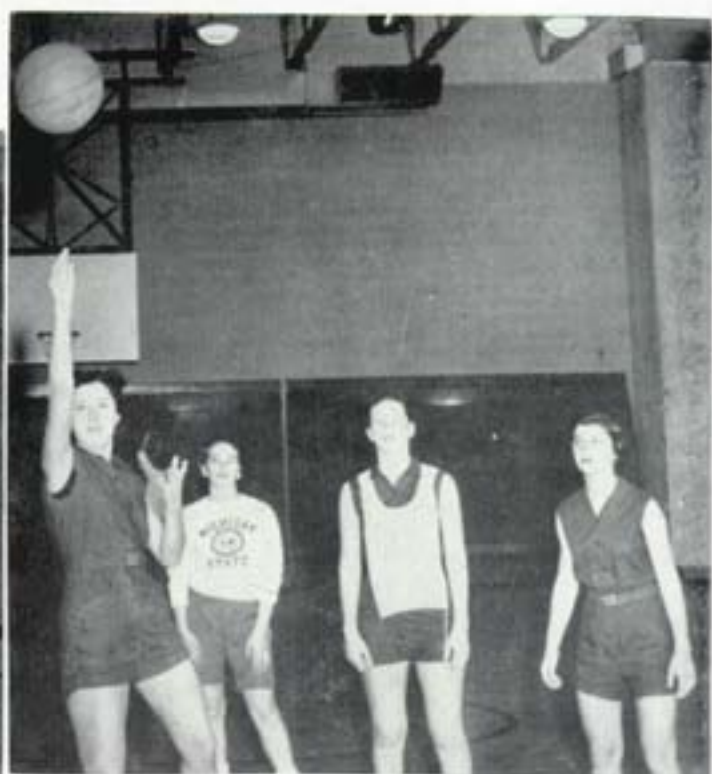

The G. A. A. participated in many extra projects, such as selling candy at the high school basketball games and sponsoring a booth at the school carnival. Through these projects, G. A. A. earned enough money to present a scholarship to a girl going into the teaching profession.

Catalina Club presents

CATALINA CLUB

Many changes were made in Catalina Club this year. The main one was that the organization is now divided into two groups—one for swimmers and the other for any students who would be willing to work on deck crews for the annual swim show. Because of this change, Catalina Club is now open for membership to both boys and girls.

"Andersen's Tales" was the title of the 1958 swim show, and it was presented two nights at the high school pool. The theme centered around Hans Christian Anderson and his famous fairy tales. The show was done in 10 numbers and included a cast of over 60 participants. With everyone's help, the show was a great success.

The officers of Catalina Club were Jane Byrne, President; Gindy Van Zylar, Vice-President; Beatie Schmidt, Secretary-Treasurer; and Miss Adams, Advisor.

GIRLS' BOWLING

The Grand Haven High School Girls' Bowling League has completed another successful year. We have had excellent supervision under Miss Matthew.

We had a bake goods sale to earn money for club pins and the trophies which were given at the end of the league season.

Our officers were Faye Wills, president; Mary Kammeraad, vice president; Carol Strange, secretary; and Connie Ruster, treasurer.

We maintained a good quality of sportsmanship through cooperation and loyalty to one another.

VARSITY CLUB

They're in now

The 1957-58 school year was a successful one for Grand Haven athletes both on the respective playing fields and in their club. The Varsity Club led this year by Louie Draeger, president; Karl VanAsselt, vice president; and Dave Robertson, secretary-treasurer, was active in many areas. The club took in about 25 new members, boys who earned their letters in various sports. The club again took care of coat checking at home basketball games and helped the Buccaneer banquet committee on several paper drives. A new project, selling Buc Booster pins, proved successful. All these projects were undertaken to earn money for the club's project. This year the Varsity Club purchased a swimming record board for the school.

In addition to this project, the club continued with its major purpose; that of promoting good sportsmanship on the part of Grand Haven athletes, students, and fans.

They're happy about something.

One coat, coming up.

That's it girls. Really shout.

Our new cheer

CHEERLEADERS

The varsity and reserve cheerleaders completed a successful year leading the student body in the various yells for our teams. We learned several new cheers which we presented to the students. We also sponsored a very successful dance following a football game. The varsity and reserve squads both wore striking new uniforms this year.

ORCHESTRA

The orchestra had a busy and successful year. We played for many organizations including the Rotary Club and Kiwanis besides participating in the District Band and Orchestral Festival. We also took a trip to Chicago where we saw many interesting things. The money for this trip was earned by selling fruit cakes.

This has been a very exciting and profitable year for all of us.

NURSES' AIDE

Another good year comes to an end for the "Bluebirds" of Grand Haven Senior High. We have been rewarded by all the experience we have had with hospital life, but the best reward of all came when a patient would say "Thank you so much. It was very thoughtful of you to take time to do that for me," or "Boy, that backrub felt good." We made many friends during the year, some of whom have come back just to say "Hi."

Four phases of training were completed: obstetric, medical, surgical, and diet. Trips were made to Blodgett Hospital, Mary Free Bed Orthopedic Center, and Hackley Hospital. We sold candy to help finance some of our activity.

RETAIL - OFFICE CLUB

President _____ Sarah Jane Levingstone
 Vice-President _____ Nancy Katt
 Secretary _____ Karen Dirkse
 Treasurer _____ Rosemary Bolthouse

The Retail-Office Club is an organization of students who have a common interest, for we are all on the co-operative training program. We combine our work with pleasant social activities to make our working life varied and interesting. This year our president, Sarah Jane Levingstone, has guided us in the undertaking of projects to boost our treasury and thus further our activities. These projects included a Sock Hop, with Carl Rosin's band providing the music for our entertainment, and a stationery sale. Near the end of the year we enjoyed an out-of-town trip as a grand finale. We also treated our employers to a banquet. This year has been both profitable and enjoyable for our club.
